### FINNAIR DOMESTIC CARGO TRAFFIC TO JETPAK

Vantaa 17.12.2009

**Dear Customer,**

Finnair Cargo Oy and Jetpak Finland Oy have signed an agreement regarding domestic airfreight in Finland. By this agreement will Jetpak obtain **exclusive rights** to sell airfreight services on all Finnair domestic flights

This agreement will expand Jetpak service portfolio in Finland and gives us a possibility to offer more comprehensive- and cost effective services in the area of domestic airfreight services.

In future current Jetpak customers and old Finnair domestic Cargo customers are able to utilise Jetpak domestic airfreight services also for systematic transportation needs.

Agreement will enter into effect on 1 February 2010, which means that as from February Jetpak will be solely responsible for domestic airfreight sales, booking and transportation on Finnair flights.

Yours sincerely,

Pasi Junninen
